

CALL FOR PAPERS

Bayreuth Emerging Accounting Research Workshop

October 12 – 13, 2023, University of Bayreuth, Germany

Aims and Scope

The **Bayreuth Emerging Accounting Research Workshop** primarily addresses international post-doctoral researchers at an early career stage. The workshop provides a networking platform for discussing emerging research ideas and future academic career options.

Young accounting scholars in the fields of Auditing, Corporate Governance, Financial Accounting, and Managerial Accounting are encouraged to submit a current research paper.

Paper Submission

Papers should be submitted as PDF by mail to sven.hoerner@uni-bayreuth.de

Submission deadline: Friday, March 31, 2023

Notification of acceptance: End of April, 2023

Program

Wednesday, October 11, 2023: Early arrival, informal get-together, and dinner in the city center

Thursday, October 12, 2023: Late arrival, plenary sessions with discussants, lunch, plenary discussion on emerging accounting research, cultural program, and dinner

Friday, October 13, 2023: Plenary sessions with discussants, lunch, closing session, and departure

Conference Fee, Accommodation, and Travel Costs

There is **no conference fee**, accommodation costs are covered for all presenters, and travel expenses are subsidized depending on the number of participants and incurred costs.

Funding is provided through the WiN-Academy of the University of Bayreuth.

Workshop Organization: Sven Hörner, University of Bayreuth
